

# Graduate Programs Transfer Credit Consideration

Complete this form only if you are requesting transfer credit from prior graduate coursework into this program. This form must be completed and returned prior to beginning classes at CUC in order for your transcripts to be evaluated.

The following steps provide applicants the opportunity to receive an OFFICIAL transcript review from the Office of Graduate Admission & Student Services. This OFFICIAL review can be used to determine transfer credits you may receive for coursework completed at another regionally accredited university or college.

NOTICE: This process is only available for applicants who provide official copies of transcripts from regionally accredited institutions. Transfer credits must take the place of a course in the cohort sequence (same course content and same credit value), as determined by the program's faculty department chair and dean of the college. A maximum of up to half of the credits for the degree may be accepted into your degree plan. Transfer credit is posted after the completion of 12 semester hours of coursework at CUC. Awarding of transfer credits occurs after OFFICIAL, sealed transcripts containing the transfer credits for consideration are received, and you are fully admitted to the university.

1. You must submit an Application for Graduate Admission (with the non-refundable \$50.00 application fee for on and off-campus cohorts and online programs).
2. Submit your official, sealed transcript(s)
3. Please complete the information and Transfer Course Grid below

NOTE: A course description or syllabus MUST be provided for each course you wish to transfer. An incomplete form or failure to provide required documents will result in delay or denial of credit transfer requests. Courses which are eligible for transfer must have an earned grade of "B" or better within the last 8 years (internships from prior programs are not accepted for transfer).
