If you plan on using Financial Aid to assist in the payment of tuition, you must complete the following steps:

- 1** If you do not already have one, **Obtain a FSA ID:** Go to <https://studentaid.gov/fsa-id/sign-in/landing>. Supply your name (as it appears on your Social Security Card), Social Security number, date of birth and either an e-mail or street address to which you want the FSA ID sent.
- 2** **Complete the 2026-2027 Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov.** Be sure to complete all sections of the FAFSA and include our school code and name in the appropriate box(es) on the FAFSA your information will be sent to Concordia University. Our school code is: **Concordia University, CA federal code #013885.**

Once all of these steps have been completed **and you are accepted (or conditionally accepted) to the graduate program** and registered for classes, the Financial Aid Office will review your information and determine your eligibility for financial aid. You will then receive a financial aid award notification via your eagles email from the Concordia Financial Aid Office. You will need to accept the full or partial amount or decline each offer in My Records. The offer of financial aid becomes official only upon receipt of the electronic acceptance. New students accepting financial aid must complete Loan Entrance Counseling and sign your Master Promissory Note (MPN). Note: If you are accepted after the first day of classes, you will be ineligible for aid until the next term.

The 2026-2027 academic and financial aid year begins with May 2026 courses. The 2026-2027 FAFSA and financial aid application are available online. The financial aid year will start over with May 2027 courses.

TEACHER LOAN FORGIVENESS PROGRAM

The Teacher Loan Forgiveness Program is intended to encourage individuals to enter and continue in the teaching profession. If you meet certain qualifications, you may be eligible for forgiveness on Direct Subsidized and Unsubsidized Loans and your Subsidized and Unsubsidized Federal Direct Loans. This is a separate, federal program. The U.S. Department of Education will determine your eligibility for this program. To verify your eligibility you must call **1-800-4-FED-AID** or visit <https://studentaid.gov/sa/repay-loans/forgiveness-cancellation/teacher> for more information.

This is not a Concordia University Irvine program.

Notice: The Preliminary Administrative Services Credential Program at Concordia University is considered a certificate program. Students enrolled or planning to enroll in the Preliminary Administrative Services Credential Program can apply for a private student loan.

If you have been accepted into the Master's program and submitted your 2026-2027 Federal Aid application (FAFSA), please contact financial aid at (949) 214-3066 for information on your financial aid eligibility. You may be responsible for full or partial class payment depending on your aid package. Upon registration, you will be mailed a bill with payment instructions.

PAYMENTS

Payments can be mailed in, made in person or online. We accept cash, check and e-check, money order, and cashier's check. Credit and Debit card payments will no longer be accepted as of July 1, 2016.

PAYMENT PLANS

As an alternative to a direct payment by cash or check, Concordia University Irvine is pleased to present our Undergraduate and Graduate students and families with Transact Payments.

Transact Payments is an interest-free and debt-free way to spread tuition payments over a number of months instead of in lump sum payments. You will also save on interest charges by reducing the need to borrow student loans. Transact Payments offers plans to pay one semester at a time.

Visit <https://www.cui.edu/studentlife/bursar/payment-plans> for more information and to enroll in a payment plan.

If you have questions on the amount to budget on Transact Payments, please contact the Bursar's Office at 949-214-3075 or by email at bursar@cui.edu.

Concordia University Irvine requires an official transcript from your highest degree granting institution. Applicants must hold a valid bachelor's degree or higher from a regionally accredited institution. If your highest degree was completed outside of the US, an international evaluation by a NACES-approved evaluation agency verifying the equivalent of a regionally accredited U.S. bachelor's degree or higher is required. See additional details below.

Please note: A credential does not meet the highest degree requirement.

TO ORDER TRANSCRIPTS:

Each college or university has their own process. Follow the guidelines below to request your transcript:

- 1 Search for the Registrar's Office at your previous institution. Transcript request details are most often available on their website.
- 2 Submit a transcript request following that school's procedures. Most colleges and universities have an online request via a third-party service such as National Student Clearinghouse or Parchment. Some institutions may require a signature or other official request in writing.

NOTE: Many colleges and universities charge a small fee for official transcripts.

- 3 It can take several days for a transcript request to be processed. When your transcripts are received, the Graduate Information Office will contact you, but if you have not received confirmation within 14 days, please contact us at **(714) 984-0146**.
- 4 Please email any unofficial transcript copies you have to your enrollment advisor. This will be added as a placeholder while we wait for the official transcript to process.

CUI accepts either electronic/digital PDF official transcripts or a sealed/hard copy official transcript.

Important Note: Transcripts sent by an applicant are considered unofficial.

Please have your sealed, official transcripts mailed to:

Concordia University Irvine - Spectrum Campus
ATTN: Graduate Admissions/School of Education
16355 Laguna Canyon Road
Irvine, CA 92618

Please have your electronic/digital PDF official transcript sent via a third-party service directly to:

gradadmissions@cui.edu

Students with International Transcripts

ALL non-US equivalent transcripts must arrive with a certified English evaluation and translation, and evidence of degree posted. The student must have a minimum GPA of 2.75 on a 4.0 scale, or equivalent to that according to the grading system used by the country that a student is applying from. Please note that CUI does not have a translation or evaluation service, and students are responsible to get an official translation and evaluation done by a NACES-approved evaluation agency verifying the equivalent of a regionally accredited U.S. bachelor's degree or higher – CUI prefers international transcripts to be evaluated through IERF. WES or IERF may have an option to send evaluated transcripts through their online portals.

Please ask for a Detail Report (also known as a course-by-course report)

Mail it to: Concordia University Irvine - Spectrum Campus

Irvine, CA 92618

Verification of Experience (Admin/PASC Applicants Only)

The Commission on Teacher Credentialing in California (CTC) requires all Administrative Credential program students to verify their years of experience on district or employing agency letterhead and signed by the superintendent, assistant superintendent, director of personnel, director of human resources, or designated staff member. The school or designated staff member other than the applicant must verify all experience.

Concordia University Irvine - School of Education is required to have the official letter verifying student experience in the student file kept in the Credentialing Office. To be considered an official VOE, the letter must be sent directly from the school district to gradadmissions@cui.edu, or directly to an enrollment advisor. Applicants can also forward an email thread with the VOE attached confirming the VOE initially came from the district to an enrollment advisor.

The Letter of Verification must be printed on School or District letterhead and include the following:

- 1 Applicant's full name
- 2 Current place of employment; district, city, state
- 3 Dates (Month/Year) of full-time employment
- 4 Prior teaching experience and schools served
- 5 Area or subject(s) taught
- 6 Superintendent, assistant superintendent, director of personnel, director of human resources, or designated staff member signature in ink with date. Please include printed name. Electronic signatures cannot be accepted.
- 7 The following two (2) questions also need to be answered:
 - a) Has the applicant completed **two years** of full-time successful teaching or counseling in public, nonpublic, or private school for admission into the Preliminary Administrative Services Credential/ Master of Arts in Educational Administration program? ***Substitute or part-time service does not apply.**
 - b) Has the applicant completed **five years** of full-time successful teaching or counseling in public, nonpublic, or private school of equivalent status, and hold a valid California Clear Credential required to file for the Preliminary Administrative Services Credential? ***Substitute or part-time service does not apply.**

Please email your official letter to:

Student members do not have voting privileges, and are not eligible to serve as ACSA officers, directors, or committee members, nor are they eligible for Professional Legal Services. Qualifying members may remain in the Student category a maximum of four years. Beyond that a change in membership type and dues will result.

Concordia University Irvine will pay the ACSA membership fee for all new registered students starting the Master's of Arts in Education: Educational Administration program and Preliminary Administrative Services Credential program for the upcoming academic year.

Letter of Intent (School Psychology Applicants Only)

Writing Prompt:

The profession of school psychology involves a balance of working directly with pupils and the opportunity to help them in a constructive way via evaluations and reports. Writing psychoeducational reports is an important part of the job that includes writing about background information, testing information, observations, assessment results, and more.

With the importance of writing skills in mind, provide a two paragraph response to the following question: Describe two or more reasons you want to become a school psychologist.

Please email this document to:

gradadmissions@cui.edu or kcook@graduateprogram.org

For

The MAED School Psychology w/ Pupil Personnel Services Credential degree is for education professionals who aspire to become School Psychologists. Prospective candidates desire to work with pupils needing special services by administering and evaluating psychoeducational assessments and collaborating with administrators, teachers, parents, and community members in order to provide high-quality support to K-12 students.

What you Learn

The program equips candidates with expertise in psychoeducational assessment, behavior intervention, mental health, and collaborative consultation with school administrators, teachers, and families to enrich the academic and social-emotional lives of children. Within the context of servant leadership, candidates will learn how to meet the comprehensive needs of the increasingly diverse populations in California.

How you Learn

This is an online cohort program. Each term, cohorts will complete one course every eight weeks. Classes will meet online synchronously during weeks 1, 3, 5 and 7 from 6:00-7:30pm on a Tuesday, Wednesday or Thursday. The night of the week will remain the same throughout the program. The other four weeks (2, 4, 6 and 8) will meet online synchronously for the practicum and fieldwork. All online students must have access to a computer with an internet connection, web camera, and microphone.

Career Outcomes

Upon successful completion of the program, candidates will earn a Master of Arts in Education: School Psychology degree and will be eligible for the California Pupil Personnel Services Credential. Although this program is designed to prepare candidates to serve as school psychologists within schools in the state of California, additional career opportunities may exist in organizations such as:

- Public and private schools
- Community-based day treatment programs or residential hospitals
- Colleges and universities
- Juvenile justice centers
- School-based health and mental health centers

Prerequisites

In addition to the admission requirements for a graduate degree in the School of Education, applicants must submit a Basic Skills Verification (through CBEST results or other state-approved alternatives) and a valid teaching credential or Certificate of Clearance.

For

Experienced educators who aspire to become the next generation of school leaders embodying the values of 21st century learning.

What you Learn

The program integrates the knowledge, skills, and competencies necessary to become highly accomplished professionals and outstanding leaders of public and non-public educational institutions, including the ability to be proactive and decisive with a moral and ethical commitment to the organization's mission, the cognitive and communication skills necessary to facilitate meaningful change and flexibility in using decision-making and motivational strategies for effective stewardship of time, resources, and personnel. Students will learn how to collaborate, communicate, think critically, and creatively lead the schools of tomorrow.

How you Learn

This is an online cohort program. Each term, cohorts will complete one content course and a practicum every eight weeks, with the exception of one term where students will complete two content courses. Classes will meet online synchronously for three of the five content courses with live virtual sessions during weeks 1, 3, 5 and 7. The additional five content courses will participate online asynchronously. All local students within a 50 miles radius are strongly encouraged to attend on-campus symposiums. Practicum courses will take place concurrently with your content courses in order to accelerate your completion time. All online students must have access to a computer with high quality internet connection and Microsoft Office software (i.e., Word and PowerPoint). Online synchronous students must have a web camera and a microphone.

Career Outcomes

Upon completion of the program, students will earn a Master of Arts in Education: Educational Administration and be prepared for the California Administrator Performance Assessment through content and experiences embedded in the Administrative program. Possible career opportunities include: Principal, Assistant Principal, and District Administrator.

Prerequisites

In addition to the admission requirements for a graduate degree in the School of Education, the following are prerequisites for admission to the Education Administration program. (1) Documentation of at least two years of successful teaching or counseling experience. (2) A valid clear CA teaching credential or PPS credential. For

Educators who wish to advance in their pursuit of emerging best-practices for teaching based on current research, innovative technology integration, and cutting-edge classroom strategies.

What you Learn

This program offers candidates the opportunity to develop the skills and mindset indicative of innovative educational leaders. An enhanced understanding of teaching and learning in a digital and global world will transform candidates' skills in utilizing curriculum design to produce rich and meaningful instruction. Educators will be shaped and prepared to positively impact their schools and communities through active learning and reflection.

How you Learn

This is an asynchronous online cohort program. Students will engage in coursework through an online learning management system, complete assignments, participate in online discussions, and collaborate on group activities. Students will complete two 3-unit courses every 8 weeks to earn their degree in 10 months. The schedule is flexible depending on the needs of the student. All online students must have access to a computer with a strong internet connection and Microsoft Office: both Word and PowerPoint. This program is built with busy educators in mind and combines the benefits of a supportive cohort approach and a flexible learning environment. **Please note: There is a 5-day overlap between the Summer I (SU1) and Summer II (SU2) terms. Students will need to plan/work ahead on their final SU1 assignment and be ready to begin SU2 during week 8 of their SU1 course.**

For

Individuals who aspire to become school counselors serving students in grades K – 12 and school districts in the state of California.

What you Learn

The school counseling program offers candidates the opportunity to engage in courses focused on research-based foundational theory, skill development and practical experiences needed to serve diverse student populations. Guided field work experiences in site-based school environments provide opportunities to practice skills in educational assessment, personal, social, academic and career counseling; program coordination, supervision and consultation; interaction with administrators, teachers, parents, support services and outside agencies within the context of current law, district policies and professional ethics.

How you Learn

This is an online cohort program. Each term, cohorts will complete one course every eight weeks. Classes will meet online synchronously during weeks 1, 3, 5 and 7 from 6:00-7:30pm on a Tuesday, Wednesday or Thursday. The night of the week will remain the same throughout the program. The other four weeks (2, 4, 6 and 8) will meet online synchronously for the practicum and fieldwork. All online students must have access to a computer with an internet connection, web camera, and microphone.

Career Outcomes

Upon successful completion of the program, candidates will earn a Master of Arts in Education: School Counseling degree and will be eligible for the California Pupil Personnel Services Credential. Although this program is designed to prepare candidates to serve as school counselors in the state of California, additional career opportunities might include options such as:

- Employment specialist/case manager
- Career advancement counselor
- Post-secondary admissions counselor/recruiter
- Post-secondary academic advisor
- Student services specialist/financial aid counselor
- Residential life director
- Adoptions counselor
- Substance abuse counselor
- Juvenile corrections counselor

Prerequisites

In addition to the admission requirements for a graduate degree in the School of Education, applicants must submit a Basic Skills Verification (through CBEST results or other state-approved alternatives) and a valid teaching credential or Certificate of Clearance.

Thank you for your interest in Concordia University Irvine!

OUR MISSION STATEMENT

Concordia University Irvine, guided by the Great Commission of Christ Jesus and the Lutheran Confessions, empowers students through the liberal arts and professional studies for lives of learning, service and leadership.

ADMISSION REQUIREMENTS

The admission committee seeks candidates who show evidence of ability to achieve success in a graduate program by the following:

For full admission: A cumulative GPA of 2.76 or better (4.0 scale) in all previous college work.

For conditional admission: Students with a cumulative GPA of 2.74 or less will be able to petition for admission in a formal letter to be considered as a candidate in the admission process. To initiate the petition process, the candidate must submit a letter of explanation for previous low grades including why grades in the new program will be acceptable. The Dean may accept the petition, deny the candidate admission, or refer the matter to an Application Review Committee.

TRANSFERRING UNITS

A maximum of 6 semester units (2 courses) can be accepted provided that the units are not more than 5 years old, and meet the minimum grade for transfer. Minimum grade for transfer is a 2.7 on a 4.0 scale (B-). You may contact your academic advisor in the School of Education for an unofficial evaluation of transfer credit before you are admitted. An unofficial evaluation does not guarantee transferability of units. Transfer units must be graduate level (500+). Concordia cannot accept credential courses, continuing education units, or extension courses for transfer. Transfer of credit is applied only after you are admitted to the program. Your admissions file must be complete and you must be admitted to the program before we can officially consider your other graduate coursework from other colleges or universities. Please Note: Transfer units are not considered for the Preliminary Administrative Services Credential (PASC) only program.

CONCORDIA UNIVERSITY TUITION INFORMATION

The anticipated tuition rate is \$730 per unit for students enrolling in the 2026-2027 academic year. Concordia University reserves the right to offer different tuition rates. There is a one-time \$185 graduation fee near the end of the program. All Graduate Students will be billed a \$60 Graduate Student Success Fee each semester. There are additional fees for the practicum and/or fieldwork hours associated with the PASC and PPSC programs.

COHORT INFORMATION

Although our online programs require active student participation online or in-person, we reserve the right to change the meeting time and/or location due to any unforeseen or extenuating circumstances. These programs are dependent upon a minimum enrollment of 12, and class sizes are limited to 20 or 25 students for all blended and online cohorts. Please Note: Concordia University Irvine reserves the right to move a blended cohort to the online format should enrollment drop below the required minimum number of students.
