

Thank you for your interest in Concordia University, Nebraska's online master's degree programs. We are pleased to bring our graduate programs to your local area. Once you submit your application, I will be able to hold a seat while you continue to work on your admissions file.

This packet includes all of the information that you will need to be admitted into the program. Read through this packet carefully, and be sure to contact me if you have any questions. My team and I are committed to guiding you through the application process. Choosing where to go to graduate school is an important step, and I want to help you in any way that I can. You can reach me by phone at **402-803-1525** or by email at barrette.nicholson@cune.edu.

NOTE: Concordia University, Nebraska strictly limits enrollment in each program to 18 students and accepts students on a first-come, first-served basis.

Complete step 1 below to reserve your seat in this program.

Apply now at our dedicated website for faster processing.

1

Complete Your Application

Applying to your graduate program begins by submitting the **free online application**.

Once you have reserved your seat, turn to Page 2 to complete the remaining admission steps.

Congratulations on your pursuit of a master's degree with Concordia University, Nebraska!

Sincerely,

Barrette Nicholson

Graduate Information Office
402-803-1525

barrette.nicholson@cune.edu

2 Submit Official Transcripts

Submit official transcripts from all colleges and universities attended (regardless of whether or not a degree was earned). Please have all transcripts sent directly from your previous institution(s) to gradadmiss@cune.edu.

3 Submit Your Letter of Intent and Résumé

In an essay format of 500-750 words, please explain your interest in the program, what you hope to achieve by completing the program and how your personal or professional background relates to your interest and goals. The letter of intent's content and the clarity of writing will be assessed as a part of the admission process.

[Submit your Letter of Intent and Résumé](#)

4 Create your Concordia account

Through your Concordia account, you can access our online services, including your CUNE.org mail account. To create your Concordia account, **[follow these instructions](#)**.

5 Complete your FAFSA

In order to be considered for financial assistance, you will need to complete the **[Free Application for Federal Student Aid \(FAFSA\)](#)** as soon as possible starting Oct. 1. **Concordia Nebraska's federal school code is 002541.**

6 Accept any financial aid

After you have completed the FAFSA, you will receive a financial aid award notification that summarizes the financial aid for which you are eligible. You may accept any or all of the financial assistance. Financial aid award notifications are sent in early November.

If you choose to submit paper forms for any of the steps above, documents should be faxed, mailed, or emailed to:

Date

Complete all steps below to apply for financial aid. Note: There are financial aid options that are not based on need. Most students in the off-campus programs use financial aid to pay for the program. We recommend that you complete these steps as soon as possible to make sure that your payment arrangements are in order by the first night of class. For help, please contact the Financial Aid Office at 888-505-2863 or by email at gradfinancialaid@cune.edu.

How to Apply for Financial Aid

Step 1: Complete the 2023-2024 Free Application for Federal Student Aid at www.fafsa.gov. You will need your 2021 Federal Tax Return, your FSA ID (<https://studentaid.gov/fsa-id/sign-in/landing>), and Concordia's School Code (002541). Graduate students are considered independent for financial aid purposes.

Step 2: Review your Student Aid Report (SAR) for accuracy. You will receive this form 7-10 days after the FAFSA is submitted. If there are any errors on your SAR, log back into your FAFSA to make corrections.

Step 3: You will receive your financial aid award letter online from Concordia. This letter lists your financial aid eligibility. An email notification will be sent to your CUNE.ORG email account when it is ready to view and accept online. Be sure to contact the Financial Aid Office if you have any questions about your award.

Step 4: Complete Loan Entrance Counseling and the Master Promissory Note. Entrance Counseling and Master Promissory Note are only required for first time Federal Direct Loan borrowers. Both can be completed at www.studentloans.gov (you will need your PIN from Step 1).

Questions? Call the Financial Aid Office at (888) 505-2863 or email GradFinancialAid@cune.edu.

Federal Loan Requirements:

- 1) File the Free Application for Federal Student Aid (FAFSA)
- 2) Be a U.S. Citizen or eligible non-citizen
- 3) Not be delinquent on a federal student loan
- 4) Maintain satisfactory academic progress
- 5) Be admitted to a Concordia University, Nebraska degree-seeking graduate program
- 6) Be enrolled at least half-time each term (3 credit hours)

The Federal (Title One) Teacher Loan Forgiveness Program:

If you and your school qualify, this program may provide loan forgiveness for eligible Federal Stafford Loans. This is a separate program requiring separate forms and processes. The U.S. Department of Education will determine your eligibility for this program; Concordia University, Nebraska is not responsible to verify your eligibility for this program. Please do not base your enrollment on this program, as it can be difficult to ensure qualification for government programs which are subject to reform and funding changes or limitations.

You must call 1-800-4-FED-AID to verify your eligibility or visit

<https://studentaid.gov/manage-loans/forgiveness-cancellation/teacher> for more information.

The TEACH Grant Program:

Concordia is participating in the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program. The program provides grants of up to \$4,000 per year to students who agree to serve as a full-time teacher in a high-need field for four years in a public or private elementary school, secondary school or educational service agency that serves students from low-income families. You must teach for at least four academic years within eight calendar years of completing the program of study for which you received a TEACH Grant. The terms and conditions of this teaching service obligation are explained in the TEACH Grant Agreement to Serve that you must sign before you receive a TEACH Grant. For more information on the TEACH Grant, including a list of eligible teaching programs, please visit www.cune.edu/TEACHGrant.

Name: _____

Below, compose your Letter of Intent, covering the following points:

- Your interest in the program for which you are applying.
- What you hope to achieve by completing the program.
- How your personal or professional background relates to your interests and goals.

Your 500-750 word Letter of Intent's content and clarity may be assessed as a component of the admission decision.

If your transcripts reflect a GPA below 2.8, please address in the text box below why you believe your past academic performance is not indicative of your potential to achieve a GPA of 3.0 or higher in your Concordia program.

I acknowledge the following:

- I must maintain a minimum 3.0 GPA throughout my program as a requirement for completion.
- If I am seeking professional certification or endorsement in Nebraska, I understand that the certification/endorsement may only be added to an existing teaching certificate. Concordia's program does not lead to an initial (first time) teaching certificate, endorsement, or license.
- I am seeking professional certification for the Early Childhood Inclusive Education Birth 3rd Grade teaching certificate in Nebraska. Successful completion of the M.Ed. in Early Childhood Inclusive Birth-3rd Grade program leads to the initial (first) teaching certificate in Nebraska.

By signing this Letter of Intent - I clearly understand and agree to the following: Students who meet the admission standards for graduate programs at Concordia University, Nebraska, may be granted Conditional Admission based on review of unofficial transcripts until the official transcripts are received. If you are admitted on unofficial transcripts, you certify that the following statements are correct:

- I have completed a bachelor's degree from a regionally accredited institution.
- The GPA on my unofficial transcript will match the GPA on my official transcript.
- My official transcript is releasable and does not have any holds - financial, academic, or otherwise I may be conditionally accepted for admission based on incomplete records, however, final records are required in order to complete my admission file and to continue my coursework at Concordia University, Nebraska.
- While Concordia University is making every attempt to procure my official transcript on my behalf, I understand that I am ultimately responsible for ensuring that my official transcript is on file with the University.
- I am responsible for all tuition and fees as per university payment policies.

False representation of my academic record and/or inability to complete the admission process may result in dismissal from Concordia University, Nebraska.

Student's Signature: _____ **Date:** _____

For:

Individuals with a desire to serve as a high school or college athletic administrator.

What you learn:

As a student in this cohort, you will learn how to create an environment that fosters the physical, mental, and spiritual growth of each athlete you work with. Students will be prepared to navigate through current and relevant issues faced in the athletics industries. Students have the option of completing both the high school and college concentrations by taking classes consecutively or concurrently.

How you learn:

This is an online cohort. You will check in online to complete assignments and participate in online discussions and group activities. You will finish one 3 credit course every 8 weeks.

Career Outcomes:

Become an athletic administrator at the high school or college level with designations from the NIAAA.

Courses Offered:

MSAA 500	Leadership and Management in Athletics	3
MSAA 510	Athletics Sociology	3
MSAA 520	Ethical and Legal Aspects of Athletics Administration	3
MSAA 530	Management of Facilities and Operations in Athletics	3
MSAA 540	Marketing in Athletics	3
MSAA 550*	High School Student-Athlete Development	3
MSAA 553*	High School Athletics Fundraising	3
MSAA 554*	High School Athletics Finance	3
MSAA 556*	High School Athletics State and Federal Regulation Compliance	3
MSAA 560+	College Student-Athlete Development	3
MSAA 562+	College Athletics Fundraising	3
MSAA 564+	College Athletics Finance	3
MSAA 566+	NCAA and NAIA Regulation Compliance	3
MSAA 599	Athletics Practicum	3
Total Credits:		30

Courses denoted with an asterisk () are required for the high school concentration. Courses denoted with a plus sign (+) are required for the college concentration. All courses (42 credit hours) can be taken for the Dual High School/College Concentration.

For:

Current teachers and educational professionals who want to earn a Master of Education degree in Curriculum and Instruction Trauma & Resilience.

What you learn:

As a student in the program, you will graduate with an understanding and use of trauma-informed and resilience-building practices. The program will equip you in two areas that are currently a focus in many schools: how to respond effectively to student trauma and building the resilience necessary to thrive and learn.

How you learn:

This is an online cohort. You will check in online to complete assignments and participate in online discussions and group activities. You will finish one 3 credit course every 8 weeks.

Career Outcomes:

Become a trauma-informed leader in your school, school district, and community.

Courses Offered:

EDUC 501	Contemporary Thought in Education	3
EDUC 594	Research Evaluation and Design	3
PSY 511	Psychological Foundations of Teaching and Learning	3
EDUC 540	Curriculum and Instruction Capstone	3
EDUC 590	C & I Practicum	3
EDUC 625	Serving and Leading in Community and World	3
EDUC 693*	Trauma and the Individual	3
EDUC 694*	Leadership in Trauma and Resilience	3
EDUC 695*	Trauma-Informed Classroom	3
EDUC 696*	Building a Resilient School	3
Total Credits:		30

If you already have a master's degree, you can take 4 courses in order to earn the certificate only.

*Courses denoted with an asterisk are the courses required to complete the Trauma and Resilience Certificate program.

For:

Current teachers who want to earn a Master of Education degree in Educational Administration with a Principal Endorsement. Depending on your teaching certificate, you can earn one of two administrative certificates after completing the 36-hour program: elementary administration (Pre-K-8) or secondary administration (7-12). You also have the option of completing the 45-hour dual (Pre-K-12) certification program.

What you learn:

Students will be introduced to the philosophy and practice of educational administration, to develop an understanding of the practices and principles of ethical school leadership to promote student success, and explore processes in administrative organization and the principals' role in teaching, leadership, and management.

How you learn:

This is an online cohort. You will check in online to complete assignments and participate in online discussions and group activities. You will finish one 3 credit course every 8 weeks.

Career Outcomes:

Allows you to pursue a school administrator, principal or other school leadership position. You can also become an educational consultant, instructional coordinator, curriculum supervisor, assessment director, department chair or other school leader. The opportunities are almost endless with an educational administration degree.

Courses Offered:

EDUC 581	Introduction to School Administration	3
EDUC 685	Ethics for School Leadership	3
EDUC 551	Curriculum Design and Evaluation	3
EDUC 552	Processes in Elementary and Secondary School Administration	3
EDUC 610	School Resource Management	3

EDUC 660	Outcome-based Instructional Methods in Inclusive Settings	3
EDUC 625	Serving and Leading in Community and World	3
Total Credits:		30

In addition to the 30-hour M.Ed. in Special Education program, you can complete additional coursework to meet Nebraska requirements for a K-6 endorsement, 7-12 endorsement or K-12 endorsement. The K-6 and 7-12 endorsements are 42 credit hours each, and the K-12 endorsement consists of 51 credit hours.

For:

Certified teachers who want to earn a Master of Education in TESOL.

What you learn:

The online master's degree in TESOL features a blend of theory and practice in second language learning and teaching. In your course work, you can expect to learn how to develop curricula and meaningfully assess ESL students. You'll also learn how to teach reading and writing to second language learners and understand how second languages are acquired.

How you learn:

This is an online cohort. You will check in online to complete assignments and participate in online discussions and group activities. You will finish one 3 credit course every 8 weeks.

Career Outcomes:

You can pursue a variety of careers that involve teaching English to speakers of other languages. One possible career path is to be an ESL teacher. You can also teach English as a foreign language in an international setting. You can teach English to adults who need language skills for a job in the U.S. The skills you gain through the program can also be applied in a job at an immigration or refugee center.

Courses Offered:

EDUC 524*	ESL/ELL Instruction	3
EDUC 525*	ESL/ELL Curriculum and Assessment	3
EDUC 623*	Linguistics for Educators	3
EDUC 526*	Language and Culture	3
EDUC 594	Research Evaluation and Design	3

If you do not want to earn a Master's degree, you can take 9 courses in order to earn the Secondary Initial Teaching Certificate only. *Courses denoted with an asterisk (*) are required to earn the Secondary Education w/ Initial Teaching Certificate only.

Admission Requirements

It is in your best interest to complete your admission file as quickly as possible. Your file will be reviewed by the Director of Graduate Admission to determine your graduate school status, generally within 7-10 business days of your file becoming complete. Admission to graduate school depends on several factors including a completed application, cumulative GPA, transcripts, and Letter of Intent.

Transfer Credits

A maximum of 25% of program hours may be accepted by transfer from an appropriately approved and accredited institution. The courses must be equivalent to the student's approved sequence and must be recent (within the past seven years). Courses in which you received lower than a 3.0 (B) will not be considered for transfer. Upon recommendation from the Program Director and the Dean of the College of Graduate Studies, the Dean of the College of Education may accept additional coursework.
