

Thank you for your interest in Molloy University's doctoral, master's and certification programs. We are pleased to offer our convenient, online programs. We want what you want – for you to be a high-quality professional educator with a graduate degree. Children and their development and learning is our mission. Our partnership with you can bring that mission to a reality. An affordable tuition rate has been arranged for teachers, and space in each cohort is limited to 20 students. Once you submit the initial portion of your application (Step 1 below), you can revisit your application to complete each step.

This packet includes all the information you will need to be admitted into the program. Read through this packet carefully and be sure to contact me if you have any questions. My team and I are committed to guiding you through the application process. Choosing where to go to graduate school is an important step, and my team and I are here to support you. You can reach me by phone at **(516) 687-8900** or by email at [**kmiller@graduateprogram.org**](mailto:kmiller@graduateprogram.org).

NOTE: Molloy University strictly limits enrollment in each program to 20 students and accepts students on a first-come, first-served basis.

Complete step 1 below to start your application.

1

Application for Graduate Admission

Complete and submit the graduate application **online** to reserve your seat.

Once you have completed the initial portion of your application, turn to Pages 2-3 or visit the **[online checklist](#)** to complete the remaining admission steps.

Congratulations on your pursuit of a graduate education degree with Molloy University!

Sincerely,

Karen Miller

Graduate Information Office

(516) 687-8900

kmiller@graduateprogram.org

Once you have submitted the initial portion of your application, please continue with the following steps to complete your admission file. **NOTE:** You will not be eligible for financial aid until your admission file is complete.

2 Financial Aid & Payment Options (Page 4)

Determine how to pay for the program: Financial Aid or Pay-As-You-Go. If using Financial Aid, Complete the **FAFSA**. It is in your best interest to complete the financial aid process as early as possible.

☐

3 Official Transcripts (Page 5)

Official transcripts from all institutions attended are required. If your college allows, please send electronic transcripts to admissions.

☐

4 Goals Statement

A statement is required which addresses why you want to pursue a graduate degree in the field of education, how your past or ongoing work experiences will enhance your experiences in the program, and the goals/plans you wish to pursue upon completion of the graduate education degree. You may upload your statement with the application.

☐

5 Letter of Recommendation

All Graduate Education programs require two letters of reference. One letter of recommendation must be from an academic or professional reference such as professors, field supervisors, and employment supervisors in the field of education. One letter of recommendation may address character, work ethic, and ability to work with children and young adults. Simply enter their names and email addresses into your application portal. We handle the rest!

SBL/SDL Candidates: One letter must be from a verifiable School Building Leader (for SBL Program) or from a School District Leader (for SDL Program). Make sure to enter the name as it appears on their certification. The other letter of recommendation may address character, work ethic, and ability to work with children and adults.

☐

6 Current Resume

Please provide a copy of your current resume that documents your teaching/administrative leadership experience and your teaching/administrative certificates (if applicable). Also attach a screenshot of your Teach Account that shows all certifications earned. You may upload your resume and Teach Account screenshot with the application.

☐

7 Personal Interview/Orientation

Master's applicants will participate in a personal interview with the program director and/or coordinator of graduate programs; SBL and SDL candidates will participate in a virtual orientation with the education department.

☐

Completing your application steps online at <https://www.graduateprogram.org/molloy-university/apply-now/> will allow for more immediate processing of your application. If you choose to submit paper forms for any of the steps above, documents should be emailed, faxed or mailed to:

Molloy University
Office of Admissions
1000 Hempstead Avenue Wilbur Arts Center
Room 226, Rockville Centre, NY, 11571

(800) 504-7618

kmiller@graduateprogram.org

Once you have submitted the initial portion of your application, please continue with the following steps to complete your admission file. **NOTE:** You will not be eligible for financial aid until your admission file is complete.

2

Financial Aid & Payment Options (Page 4)

Determine how to pay for the program: Financial Aid or Pay-As-You-Go. If using Financial Aid, Complete the **FAFSA**. It is in your best interest to complete the financial aid process as early as possible.

☐**3**

Official Transcripts (Page 5)

Official transcripts from all institutions attended are required. If your college allows, please send electronic transcripts to admissions.

☐**4**

Professional Goal Statement

People who earn a doctoral degree use their expert knowledge and research skills in a wide range of areas. In a 1,250-1500 word essay, please share whose expert knowledge has informed your desire to pursue the Ed.D. degree and how you envision using an Ed.D. in Educational Leadership for Diverse Learning Communities from Molloy in your future endeavors.

☐**5**

Sample of Scholarly Writing

A sample of scholarly writing can include any published article, professional document, or graduate school paper that shows your writing ability. Please limit the sample to show no more than 5 pages that highlight the work. (Note: This is only a sample and does not have to be the complete work).

☐**6**

Letters of Recommendation

All Doctorate programs require three letters of recommendation from academic or employment-related professionals who may address character, work ethic, and ability to excel as a doctoral student.

☐**7**

Current Resume

Please provide a copy of your current resume that documents your teaching/administrative leadership experience and your teaching/administrative certificates (if applicable).

☐**8**

Personal Interview

Applicants will participate in a personal interview with the Doctoral Admissions Committee after application files are completed.

☐

Completing your application steps online at <https://www.graduateprogram.org/molloy-university/apply-now/> will allow for more immediate processing of your application. If you choose to submit paper forms for any of the steps above, documents should be emailed, faxed or mailed to:

How to Apply for Financial Aid:

Complete all steps below to apply for financial aid. **Note:** There are financial aid options that are not based on need. Most students in our online programs use financial aid to pay for their program. We recommend that you complete these steps as soon as possible to make sure that your payment arrangements are in order by the first night of class. For help, please contact the Financial Aid Office at **(516) 323-4200** or financialaid@molloy.edu.

- 1 Complete the Free Application for Federal Student Aid at www.fafsa.gov.** Students should submit the 2025-2026 form. You will need your 2023 Federal Tax Return, your FSA ID (<https://studentaid.gov/fsa-id/sign-in/landing>) and Molloy University's School Code (002775). Graduate students are considered independent for financial aid purposes
- 2 Review your Student Aid Report (SAR) for accuracy.** You will receive this form 7-10 days after the FAFSA is submitted. If there are any errors on your SAR, log back into your FAFSA to make corrections.
- 3 You will receive your financial aid award letter from Molloy once you have been academically accepted.** This lists the financial aid you will qualify for. If you wish to decline all or a portion of the award, notify the Financial Aid Office in writing. Be sure to contact the Financial Aid Office if you have any questions on your award.
- 4 Complete Loan Entrance Counseling and the Master Promissory Note.** Entrance Counseling is only required for first time Federal Direct Loan borrowers; all borrowers must complete a Master Promissory Note. Both can be completed at www.studentloans.gov (you will need your FSA ID from Step 1).

Federal Loan Requirements:

To be eligible to borrow funds under the Federal Direct Loan Program, you must:

- 1** File the Free Application for Federal Student Aid (FAFSA)
- 2** Be a U.S. Citizen or permanent resident
- 3** Not be in default on prior educational loans
- 4** Maintain satisfactory academic progress

Enrolling in a Pay-As-You-Go Payment Plan:

The Monthly Payment Plan at Molloy University allows you to pay your education expenses in smaller, more manageable monthly installments. Payment plans are done by semester, with five monthly payments each semester due on the 25th of each month. Payment plans are interest free, and require a \$45 enrollment fee.

For more information and to enroll, go to www.molloy.afford.com or call TMS at **1-800-722-4867**. You can also contact the Office of the Bursar by phone at **(516) 323-4100** or by email at officeofthebursar@molloy.edu.

The Federal (Title One) Teacher Loan Forgiveness Program:

If you and your school qualify, this program may provide loan forgiveness for eligible Federal Direct Loans. This is a separate program requiring separate forms and processes. The U.S. Department of Education will determine your eligibility for this program; Molloy University is not responsible to verify your eligibility for this program. Please do not base your enrollment on this program, as it can be difficult to ensure qualification for government programs which are subject to reform and funding changes. **You must call 1-800-4-FED-AID to verify your eligibility or visit <https://studentaid.gov/sa/repay-loans/forgiveness-cancellation/teacher> for an application.**

Important Notes:

- We will work with students who receive tuition reimbursement from their employer.
- If you are using financial aid to pay for tuition, you must be enrolled and admitted to the program of your choice before your student loan funds can be released. You may be required to make payments until your financial aid funds are released.

Molloy University requires official transcripts from all previously attended colleges and universities to be fully admitted into the program of your choice. Follow the steps below to request transcripts from each of the schools that you attended.

TO ORDER TRANSCRIPTS:

There are multiple ways to request transcripts, and each college or university will have their own process. Typically, the easiest way to order official transcripts is:

- 1 Contact the Registrar's office at your previously attended school, either by phone, email, or through your university's website.
- 2 Submit a transcript request following that school's procedures. Most colleges and universities require a signature or other official request in writing. Many schools have a Transcript Request Form available to download on the Registrar's website. Some will allow you to order transcripts online.
- 3 It can often take several days for a transcript request to be processed. When your transcripts are received, the Graduate Information Office will contact you, but if you have not received confirmation within 14 days, please contact us at (516)-687-8900.

Please have all official transcripts sent electronically to: graduateadmissions@molloy.edu

Or by mail to:

**Molloy University
Office of Admissions
1000 Hempstead Avenue
Wilbur Arts Center, Room 226
Rockville Centre, NY, 11570**

REMEMBER: An admission decision cannot be made until all transcripts are received.

For:

The **Educational Leadership for Diverse Learning Communities (Ed.D.) program** is designed to prepare teachers, school administrators, related educational professionals and future professors for instructional leadership roles that embrace diversity, social justice and equity. Through intensive study of leadership, curriculum and instruction, graduates will offer their unique scholarly and collaborative contributions to the advancement of curricular and instructional leadership.

What you learn:

The broad-based goals of the program are to prepare educational leaders and advocates who possess:

- Knowledge of leadership, diversity and advocacy for equity education
- Knowledge of various research methods, data collection and assessment techniques
- The ability to communicate research findings and inform issues of diversity
- Skills and dispositions for ethical decision making for issues in equity, diversity and public policy
- Vision, pedagogical knowledge and critical thinking skills to question and challenge inequities in schools and communities
- Understanding, appreciation and respect for the value of collaborative approaches to problem-solving, leadership and action research
- Skills and competency to think locally and globally to build partnerships, share leadership techniques and demonstrate integrity of the highest magnitude in order to effect change.

How you learn:

Educational Leadership for Diverse Learning Communities Ed.D. program is offered on a part-time basis. Participants will complete six credits each semester. The cohort-based course work may be completed in 2.5 years, followed by the dissertation sequence, which may be completed in three additional semesters, or one and a half years. The Ed.D. curriculum includes required courses, cognates (electives) and guided dissertation development. Participants will complete a minimum of 54 credits of coursework, including the dissertation design courses. Continuous registration is required until the dissertation is defended.

Curriculum includes:

- 40 hours of synchronous and/or asynchronous online learning experience
- 5 hours of field work per course

Unique Multiple Mentorship Design:

To ensure that you receive the guidance necessary to help you complete your doctoral studies, you will receive an initial adviser, cohort mentor and dissertation mentor who will work with you to facilitate your progress of study, advisement and research development. Your cohort adviser guides you through the program's required coursework. Your dissertation mentor is determined in year three once your dissertation research topic is finalized.

Career Outcomes

Graduates of the **Educational Leadership for Diverse Learning Communities (Ed.D.) program** are prepared to:

- Serve as leaders in advancing the field of education for diverse learners through practitioner-oriented authentic research, collaborative inquiry and policy analysis
- Participate fully in diverse educational communities to promote the creation of knowledge that advocates for reform initiatives in equity education
- Generate, test and extend knowledge through research and theory development and disseminate the findings to directly impact schooling and education
- Influence educational policy to advance best practices at the local, regional, state and national levels
- Integrate research in educational equity with practice through coursework, fieldwork, dissertation writing, publication and active membership in scholarly, professional organizations
- Embrace the Molloy University hallmark of the Four Pillars of the Dominican Tradition of study, spirituality, service and community
- Support the ideals of educational reform, collaboration and change through the stewardship of teaching and leading
- Examine educational service delivery models and determine if they are fair, equitable and just
- Develop strategies to foster shared decision making and build teacher capacity to support student learning needs in diverse communities
- Initiate and advance approaches to develop research that informs instruction and determines best practices for student achievement

Master of Science (MS) Teaching Students with Disabilities All Grades (Initial/Professional or Professional Certification)

For:

Teachers certified in another area who wish to earn their initial certification to teach Students with Disabilities in all grades, PreK-12. Prerequisites: Initial certification in another area; six credits in ELA, six credits in math, six credits in social sciences, and six credits in science. Credits may be earned at the undergraduate level and must be completed prior to completing 12 credits of the Molloy graduate program. (Initial/Professional Certification) **OR** Teachers who hold their initial certification in teaching Students with Disabilities who wish to advance to a professional certification. Pre-requisites: Initial certification in Students with Disabilities (one or more of the following SWD initial certifications: SWD (B-2), SWD (1-6), SWD (7-12), six credits in ELA, six credits in math, six credits in social sciences, and six credits in science. Credits may be earned at the undergraduate level and must be completed prior to completing 12 credits of the Molloy graduate program. (Professional Certification)

What you learn:

Teachers will further enhance their knowledge on teaching students with disabilities through the use of evidence based teaching approaches, cutting edge technology, in an intimate and personalized higher education setting.

How you learn:

Courses are all online, asynchronous.

Career Outcomes:

Upon completion of the program students will receive a Master of Science in addition to an Initial/Professional or Professional Certification in All Grades PreK-12.

Degree Requirements:

| | | |

| Total Credit Hours | | 36 |

**Candidates who are initially certified in another area and have completed student teaching, need to take practicum and seminar in special education (3 plus 0 credits). -OR- Candidates who are initially certified in special education take an additional special education course in place of field experience or other pre-approved course (3 credits):*

EDU 5271 Global Issues Relating To The Education Of Students With Severe Disabilities , EDU 5273 Characteristics of Students with Severe Disabilities: Birth–Grade 2; 1-6 and 7-12 , EDU 5274 Characteristics of Students with Severe Disabilities: Birth–Grade 2; 1-6 and 7-12

For:

Teacher candidates who are not previously certified and wish to earn a Master's degree as well as initial certification in TESOL PK-12 Education. 12 credits of foreign/modern language must be completed prior to completing the master's program; students should have a minimum of 3-6 credits prior to enrollment. Students must complete the field requirements, including student teaching, as per NYS Certification requirements. **Teacher candidates who are not native speakers of English and who wish to pursue TESOL certification:** A minimum grade of 600 on the TOFEL is required before beginning this Program.

What you learn:

This program leads to New York State teacher certification in ESOL for those who are not yet certified or are considering a career change to become teachers.

- Molloy's approach to Teaching English to Speakers of Other Languages (TESOL) focuses on evidence-based contemporary pedagogy and current research that informs, authentic classroom practices to support teachers working with culturally and linguistically diverse multilingual learners throughout the United States.
- The course work incorporates a multimodal design infused with technology to support equity and inclusion in diverse learning environments.
- Our faculty members are highly-skilled classroom practitioners, internationally known researchers, and best-selling authors.
- Our programs lead to New York State teacher certification in ESOL. If you live outside New York or plan to live outside New York after graduation, NYSED has reciprocity agreements with over 45 states for the purpose of teacher certification.

How you learn:

Courses are all online, asynchronous.

Career Outcomes:

Candidates with this degree and certification will be able to teach English to speakers of other languages in grades PK-12 in New York State.

Degree Requirements:

| | | |
|---------------------------|---|-----------|
| EDU 5020 | Theoretical Foundations and Teaching Practices of Regular and Special Education for Birth- | 3 |
| EDU 5130 | Meeting the Needs of Culturally Diverse Students in Inclusive Classrooms in Birth-Grade 2, Child- | 3 |

| EDU 5620 | Educational Technology Practicum | 3 |
| EDU 5644 | Thesis and Capstone Proposal Development in the Technology Rich Classroom Environment | 3 |
| EDU 5654 | Thesis and Capstone Project for the Technology Rich Classroom | 3 |
| Total Credit Hours | | 36 |

For:

Teacher candidates who are not previously certified and wish to earn a master's degree as well as initial certification in Childhood Education for Grades 1-6. Requirements include: 6 credits in each: English (Lit, Analysis, Writing), History/Social Science, Mathematics & Science plus 3 credits in a language other than English. Students must complete field requirements, including student teaching, as per NYS Certification requirements.

What you learn:

Our graduate childhood education degree provides valuable expertise in applying educational theory to daily practice. You will be equipped to create and maintain learning environments that are:

- Developmentally appropriate
- Productive
- Inclusive

We address the pertinent issues that affect today's classrooms and help you gain or develop the skills needed to facilitate a growth mindset in children, families, colleagues, and communities. Small class sizes allow you to build strong relationships with your professors, and many of our faculty members continue to provide mentorship and guidance long after graduation, offering invaluable support as you navigate your career.

How you learn:

Courses are all online, asynchronous.

Career Outcomes:

Candidates with this degree and certification will be able to teach Childhood Education grades 1-6.

Degree Requirements:

| | | |
|---------------------------|--|-----------|
| EDU 5012 | Apprentice Field Observations in Inclusive Classrooms (30 hours) | 0 |
| EDU 5020 | Theoretical Foundations and Teaching Practices of Regular and Special Education for Birth-Grade 2, Childhood 1-6, Adolescence 7-12 | 3 |
| EDU 5130 | Meeting the Needs of Culturally Diverse Students in Inclusive Classrooms in Birth-Grade 2, Childhood 1-6, Adolescence 7-12 | 3 |
| EDUC 5040 | Interdisciplinary Birth-Grade-2, Childhood 1-6 and Middle Childhood Teaching Methods for Diverse Learners | 3 |
| EDU 5230 | Instructional Applications of the Internet – Integrating Digital Age Tools into Instruction, Classroom Management, Communication and Collaboration | 3 |
| EDU 5060 | Integrated Language Arts and Reading for the Inclusive Classroom of Diverse Learners in Early Childhood and Childhood Settings | 6 |
| EDUC 5030 | Methods of Teaching Science | 3 |
| EDU 5050 | Advanced Methods of Teaching Mathematics in Inclusive Early Childhood, Childhood and Middle Childhood Classrooms | 3 |
| EDUC 5479 | Pre-Student Teaching in Inclusive Classrooms (70 hours) | 0 |
| EDU 5240 | Diverse Abilities and Needs of Students in Inclusive Classrooms Birth Grade 2, Childhood 1-6 and Adolescence 7-12 | 3 |
| EDU 5090 | Methods of Teaching Social Studies in Birth-Grade 2, Childhood and Middle School Inclusive Classrooms | 3 |
| EDU 5595 | Student Teaching in Inclusive Classrooms (Full Time) | 6 |
| EDU 5510 | Student Teaching Seminar | 0 |
| Total Credit Hours | | 36 |

A total of **100 hours of observation/participation** in a field school are required prior to beginning student teaching. All candidates are required by NYSED to have **experience in a "high-needs" school setting**. These schools/districts are designated as such by NYSED.

For:

Experienced teachers who have earned a Master's Degree, and wish to obtain the New York State School Building Leader (SBL) certification. Candidates must hold three years of teaching experience.

What you learn:

The Post-Master's Advanced Certificate Program for School Building Leader (SBL) certification develops leadership in the areas of curriculum, assessment, administration, and supervision. The program focuses on providing a strong foundation in order to apply knowledge, concepts, and theory into practice. Through diverse and comprehensive experiences candidates will be exposed to strategies, theories, and fieldwork necessary to create and develop skills to address the challenges of our diverse learning communities and includes experiences in districts serving students at different development levels and with a variety of characteristics and socioeconomic backgrounds.

How you learn:

Courses are all online with four mandatory Zoom synchronous sessions per course. The first course required for the certificate program is EDU 5680: Leadership Theory and Practice. After this course is successfully completed, students may take all other coursework in any order. There will be assignments due at specific times. **Students are required to enroll in 2 courses per semester.**

Career Outcomes:

Candidates with this certification will be eligible for positions in school administration in New York State.

Degree Requirements:

| | | |
|--------------------|--|----|
| EDU 5680 | Leadership Perspectives: Theory and Practice | 3 |
| EDU 5682 | Educational Leadership for the Improvement of Instruction | 3 |
| EDU 5684 | Ethical, Moral, and Legal Aspects in School Leadership | 3 |
| EDU 5686 | Curriculum and Instruction: Design for Learning | 3 |
| EDU 5688 | School Based Administration and Management | 3 |
| EDU 5690 | Data and Program Analysis to Improve Teaching and Learning | 3 |

For:

Experienced teachers who have earned a Master's Degree, and wish to obtain the New York State School District Leader (SDL) certification. Candidates must hold a minimum of three years full-time teaching or pupil personnel services experience in an N-12 setting and hold at least 45 graduate credits.

What you learn:

The Post-Master's Advanced Certificate Program for School District Leader (SDL) certification develops leadership in the areas of strategic planning, governance, compliance and supervision. The program focus on providing a strong foundation in order to apply knowledge, concepts, and theory into practice. Through diverse and comprehensive experiences candidates will be exposed to strategies, theories, and fieldwork necessary to create and develop skills to address the challenges of our diverse learning communities and includes experiences in districts serving students at different developmental levels and with a variety of characteristics and socioeconomic backgrounds.

How you learn:

Courses are all online with four mandatory Zoom synchronous sessions per course. There will be assignments due at specific times. 150 Internship hours are required. Hours of internship may be completed in current school/district under guidance of a certified School District Leader. **Students are required to enroll in 2 courses per semester.**

Career Outcomes:

Candidates with this certification will be eligible for positions in district administration in New York State.

Degree Requirements:

| | | |
|---------------------------|---|-----------|
| EDU 5700 | Strategic Planning and Organizational Change | 3 |
| EDU 5702 | District Level Governance and Policy | 3 |

About Molloy University

The Graduate Program of the Division of Education at Molloy University is a rigorous program which will lead to a rewarding career. Our Graduate Programs are made up of educators with vast experience at the childhood and adolescent levels who are ready to share their expertise with you and mentor you along your career path. Additionally, our programs are accredited by the prestigious Council for the Accreditation of Educator Preparation (CAEP).

Since their inception, Molloy's Graduate Education Programs have become well respected throughout the educational community. Our programs lead to initial or professional certification in areas including early childhood, childhood, adolescence, special education, educational technology, and Teaching English to Speakers of Other Languages (TESOL). Classroom-based action research and other research opportunities are exciting components of our professional certificate programs. Initial certificate programs include supervised field experiences, which will help you put your theoretical knowledge into practice in actual classrooms.

Molloy faculty mentors will guide you along every step of the way. You will find a stimulating academic environment in all our graduate classes, which will help you to further your professional growth.
